ABOUT US

Capitalizing on creativity of our professionals and fair business practices, we have been able to known as a most reliable **manufacturer, supplier and exporter** of Bed Room Furniture, Home Furniture, Indian Handicrafts, Decorative Furniture, Gift Articles and Mirror Frames. Customers can also purchase from us beautiful **Wooden Dinner Set, Wooden Table, Metal Furniture, Wooden Almirah, Living Room Furniture, Wooden Furniture, Photo Frames, Bone Articles**, etc. These are designed by innovative professionals using finest quality material in a blend of prevailing & ethnic designs. Beautiful appearance, long lasting finish, durability and eye-catching designs are some of the striking features that make our products widely demanded in the market. Further, we emphasize on packaging of handicrafts so as to enhance their visual appeal and to also protect from harms during transits.

Being a manufacturing corporation, we give more importance to the quality of our goods as they represent our company in the market. To ensure highest quality of our offerings, we have developed a separate quality testing department consisting qualified experts. Our quality controllers keep an eagle eye on all the stages of carving & production to ensure that artisans do not attempt any mistake which effects quality of Wooden Decorative Furniture, Bone Articles, Home Furniture, Indian Furniture Handicraft, etc. Further, finished collection is offered by us to clients only when it passes out all the conducted quality exams. Our range is examined on the grounds of its beauty, finish, design & pattern perfection, durability, etc.
